Purpose of Roundtable Series

- Facilitate observable changes in counseling and student service delivery practice to support students in reaching their goals of certificate, degree, transfer and/or employment more quickly.
- Engage in student-centered exchange with focus on strategies that improve student retention.
- Building on lessons and innovations from the pandemic, share student-centered policy and structural changes colleges are making to improve counseling and student support services.

This webinar is part of a series produced by Career Ladders Project with funding from the California Community Colleges Chancellor's Office.

Successful Student Entry: Addressing & Supporting Student Needs

Goals for this session:

1. Foster learning and exchange among CCC counseling and student support professionals
2. Share approaches to supporting student's social, emotional and academic needs during the transition "back."
3. Share examples of policy changes to support students re-engagement and retention during the transition "back."
