Purpose of Roundtable Series

- Facilitate observable changes in counseling and student service delivery practice to support students in reaching their goals of certificate, degree, transfer and/or employment more quickly.
- Engage in student-centered exchange with focus on strategies that improve student retention.
- Building on lessons and innovations from the pandemic, share student-centered policy and structural changes colleges are making to improve counseling and student support services.

This webinar is part of a series produced by Career Ladders Project with funding from the California Community Colleges Chancellor's Office.

Meeting Human Needs: Exercising Equity in Support Services

Goals for this session:

1. Share the lessons learned during the pandemic that have shifted how student supports are provided.
2. Engage in an exchange of equity-informed strategies that meet the needs of students not typically served in our institutions.
3. Share how changes will be evaluated in connection with student success and institutionalized policy, practice and procedures.
