Regional & sub-regional pathway work

Data Sharing Infrastructure

Industry Engagement Infrastructure

Pathway Work-Based Learning Sequences

- Health Pathways
- Engineering & Manufacturing Pathways
- ICT Pathways
- Biotechnology Pathways
- Public Service Pathways

Sub-regionally developed strategies for overcoming inter-segmental barriers

- Faculty Action Teams (CTE, Basic Skills, Counseling)
- Curriculum Design (courses that result in no remediation required)
- Intentional Transition Strategies (early assessment, advising, matriculation – starting in 11th grade)
- Collaborative Counseling (HS, College, WIBs)

THE MOST EFFECTIVE STRATEGIES WOULD BE SHARED REGIONALLY
