what is this?
2 in 3 overall

3 in 5 under 14
6% more likely
30% more likely
60% more likely
poor access to health care
segregated schools
cradle to prison pipeline
no economic opportunity
exposure to traumatic loss
exposure to pollutants
increased health problems
lower life expectancy
Systemic Gap

Outcome Gap
I always embrace the feeling of incompetence because it means I am about to learn something new.

Carl Jung
