Reimagining Counseling and Student Services: A Guided Pathways Workshop

Fresno, CA
September 27, 2019

This Guided Pathways workshop is produced by the Career Ladders Project with funding from the California Community Colleges Chancellor's Office.
About Career Ladders Project

We promote equity-minded community college redesign.

We collaborate with colleges and their partners to discover, develop, and disseminate effective practices. Our policy work, research, and direct efforts with colleges lead to system change — and enable more students to attain certificates, degrees, transfers, and career advancement.

Team time #2: Synthesizing learning, and planning for work on campus

● Activities for the afternoon
  ○ Reporting on the breakouts
  ○ Pluses and Pauses
  ○ Next Steps
Reporting on the breakouts

- Share a summary of each breakout session: Who presented? What did they present/ what did their college do? What did they learn?
- Based on the questions your team had in the morning, share any answers that were addressed by the breakout.

*Detailed team time prompts are located in the middle of your table in the display case.*
Pluses and pauses

- **Pluses:** Share 2-3 ideas you have heard today that excite you. How do you think these ideas would be applicable to the Guided Pathways work on your campus?

- **Pauses:** What questions remain about the session topic? What do you think may not be applicable to the Guided Pathways work on your campus?

*Detailed team time prompts are located in the middle of your table in the display case.*
Next steps

● Review the list of “pluses.” As a team, choose three pluses that are most exciting or applicable to the GP work at your campus.

● Beginning with one of those three, determine your next steps.
