Problem Solving: Moving Dual Enrollment Online, a CLP Webinar series

April 16, 2020

To support dual enrollment practitioners across California as they move instruction and student services online, CLP hosted a series of four conversations in March and April.

Here are the topics we covered, with links to recordings and presentations:

- On March 26, in the first webinar, participants shared their experiences with changes in procedures (and with issues of longer standing!). [Here's a recording](https://www.careerladdersproject.org/problem-solving-moving-dual-enrollment-online-clp-webinar-series/) of that webinar, and [here is the presentation](https://www.careerladdersproject.org/problem-solving-moving-dual-enrollment-online-clp-webinar-series/).
- On April 2, we focused on using online forms. Foothill College and Chaffey College shared how they are using electronic signatures in an online workflow, and they discussed specific technologies they use. [Here is the recording](https://www.careerladdersproject.org/problem-solving-moving-dual-enrollment-online-clp-webinar-series/) and [here is the presentation](https://www.careerladdersproject.org/problem-solving-moving-dual-enrollment-online-clp-webinar-series/).
How to ask questions during the webinar

Use the chat function on zoom to type your question.

- **If you have a question for a panelist** indicate the college before your question. ex: *GLENDALE  How do you....?*

- **If you have a general question** regarding dual enrollment use the following notation: *GENERAL What are colleges....?*

- **If you have an approach** you’d like to share, let us know in the chat. ex: “*IDEA I (Your name) have an approach to the question regarding....”*

- **If you have a tech issue** use the following notation: “*TECH I can’t hear.”*
